

Cynthia Castillo

IT Consultant & Full Stack Developer

 cynthiacastilloelizondo@gmail.com

 +52(81)123-980-38

I'm Cynthia Castillo and I'm from Monterrey, México. I am passionate about technology, I have worked both in Front-End and Back-End development and for the past years I've been Project Leader and IT Consultant. I'm very creative and have a lot of initiative; I love to be constantly learning and having the opportunity to innovate.
